Founded 1772

*by the Moravian Settlers*

ARTS... SCIENCE... MUSIC

She is understanding and patient, kind and gentle. She always has time to listen to problems and to help find solutions. She has a genuine interest in all people.

She likes to see students dress up. She entertains countless dates while they wait for that certain young miss to get ready. She's a mother to numerous students each year. She loves Salem and adores "her girls."

It is with sincerest appreciation of her love that the **Sights and Insights** staff and the Senior Class dedicate the 1975 **Sights and Insights** to

Margaret Kase Foster

We begin unsure, fearful

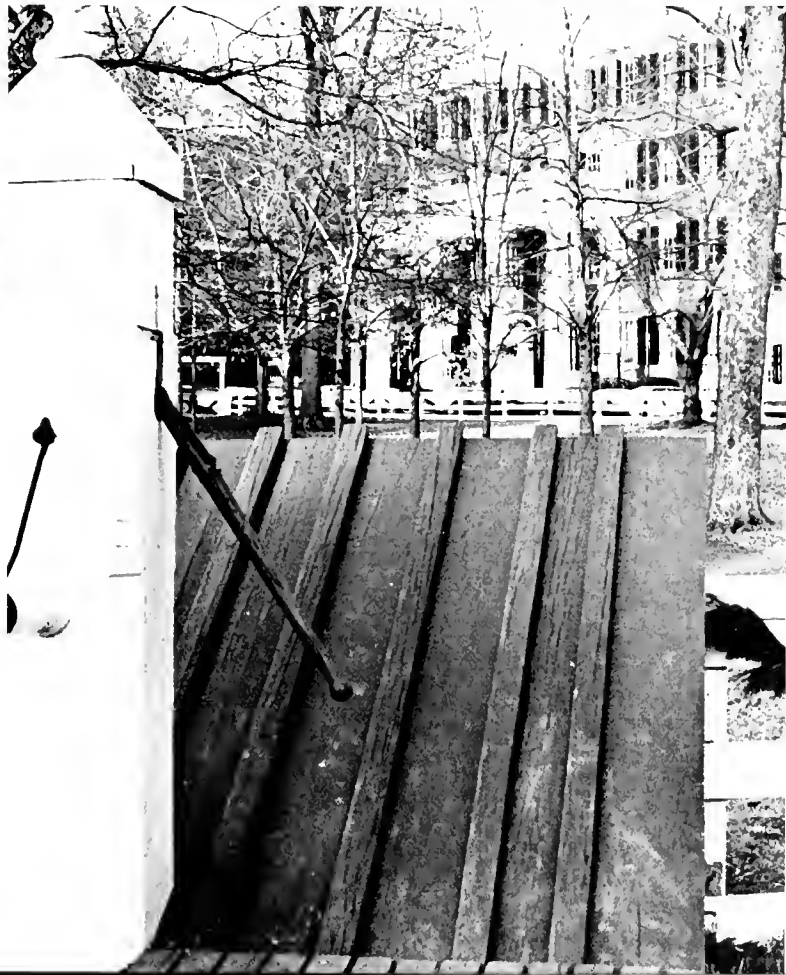

Afraid of losing past treasures

Facing endless dreams  
Seeking new belongings

Hoping to fulfill ambitions

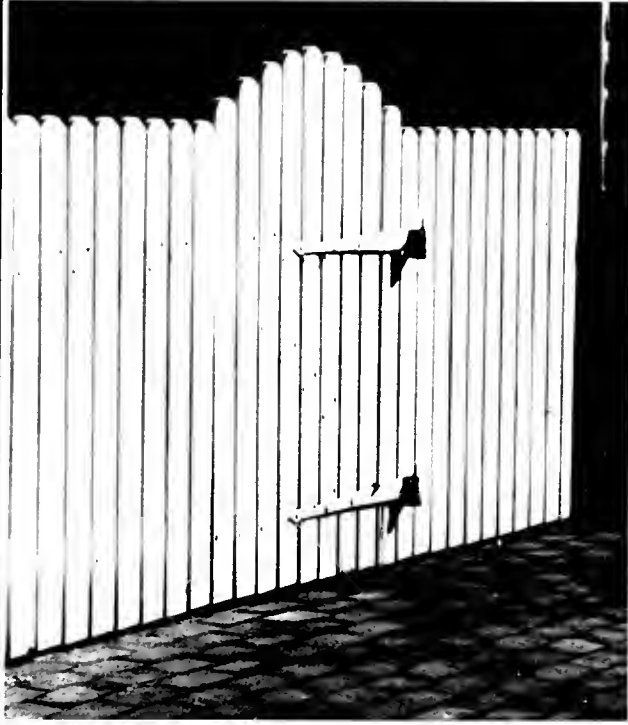

Groping, Crying, Enduring, Growing, Caring, Living

... . . . . . *Achieving*

Weaving,

we lose a part of ourselves

Forever encapsulated in tradition.
